

September 2018

Dear Parent/Carer

As part of our commitment to supporting your child through their Science GCSEs, the school would like to offer you a subscription to **my-GCSEscience** video tutorials and exam-preparation resources which are a fantastic tool to use alongside revision guides.

We are keen that as many students as possible have access to high-quality resources at home so that they are in the strongest position to study independently for tests and exams.

my-GCSEscience is also ideal for catching up on classwork after absence, or for reviewing topics that your child has found more challenging. Of course, Science teachers will continue to offer help to individual students as required, but all students will really benefit using these resources outside their lessons.

my-GCSEscience provides detailed learning videos and support resources for the GCSE Science exams and is fully updated for the new 9-1 GCSE specifications. It provides an excellent online revision package, complete with 'traffic-light' progress checker, exam-style questions, mark schemes and tips for the exams. It works well on laptops, tablets and smartphones.

It is strongly recommended that parents opt in to this package. If you would like to have a closer look before ordering, please go to www.my-GCSEscience.com where you can find much more information.

The school will be buying in bulk, so it has been able to negotiate a subscription price for parents which is far below the individual subscription rate. Please complete the attached if you want to buy the resources and return to School by **Tuesday, 23rd October 2018**. Please note a copy of this letter is on the website.

Kind regards

Yours sincerely

Please make the cheque payable to High Storrs School and write your child's name and item name on the back of the cheque.

Mr J Hogan
Subject Leader, Science

Mrs L Chenery
Science Teacher

**PLEASE RETURN TO MR J HOGAN, SCIENCE SUBJECT LEADER,
VIA STUDENT RECEPTION BY TUESDAY, 23RD OCTOBER 2018**

Student Name: _____
