Please Note:

- Where the teacher name is left blank for a subject, this indicates entries were made while your child was completing a rotation in that subject area earlier in the year e.g. Art / Music. A blank teacher name indicates your child is not currently studying that particular subject area of the rotation.
- Where gaps appear in the data, this is due to significant staff or student absence. This information will be made available at the earliest opportunity.

Attitude to Learning

This table shows typical expected progression. However, it is merely a guide. A Y8 student may be working at L1 and a Y7 student at L5 ... there are always outliers.
