

Bridging the gap 2019

FRENCH

Write 150 – 200 words in French about:

- what you like about learning a language.
- what experiences do you have of France or French speaking countries.
- what you would like to do with your language in the future.

You may like to use the attached AS wordmat to help you develop some longer, linked sentences.

If you feel a bit rusty after a long break from French lessons, get online to refresh your memory.

You could watch French music videos on YouTube, choosing ones with lyrics to help you understand what the song is about.
