

AS Level Latin – H043/01 Language – Defined Vocabulary List

This vocabulary list is required for AS Level Latin – H043/01 Language.

In addition to the words printed in the list, candidates will be expected to be familiar with the following forms:

- all regular adverbs formed from the listed adjectives;
- comparative and superlative forms of all listed adjectives and corresponding adverbs;
- commonly occurring proper nouns of obvious formation (e.g. *Romani*, *Britannia*);
- cardinal and ordinal numbers as listed in the Accidence and Syntax in Appendix 5e of the OCR Level 3 Advanced Subsidiary GCE in Latin specification.
- compound verbs where the prefix does not change the root meaning (thus *circumvenio* would not be glossed, but *circumdo*, I surround, would);
- compound verbs of regular formation using all the common prefixes, including associated consonant and vowel changes, and where the prefix retains its normal meaning;
- prefixes: in addition to prefixes which retain their normal prepositional meaning, candidates should be familiar with the following usages:
 - a, ab-** = 'away', e.g. *abeo*, I go away
 - con-** = 'together', e.g. *confero*, I bring together, collect
 - de-** = 'down', e.g. *desilio*, I jump down
 - ex-** = 'out', e.g. *exeo*, I go out
 - in-** = 'not', e.g. *infelix*, unlucky
 - per-** = 'thoroughly, very', e.g. *persaepe*, very often
 - pro-** = forward(s), e.g. *promoveo*, I move forward
 - re-** = 'back, again', e.g. *remitto*, I send back.

Teachers must check the Accidence and Syntax in Appendix 5e of the OCR Level 3 Advanced Subsidiary GCE in Latin specification. Any vocabulary listed in this Appendix must be known (e.g. cardinal and ordinal numbers).

All other words in an unseen will be glossed, unless they have obvious English derivatives (e.g. *densus*, *theatrum*).
