

June and July at High Storrs 2023

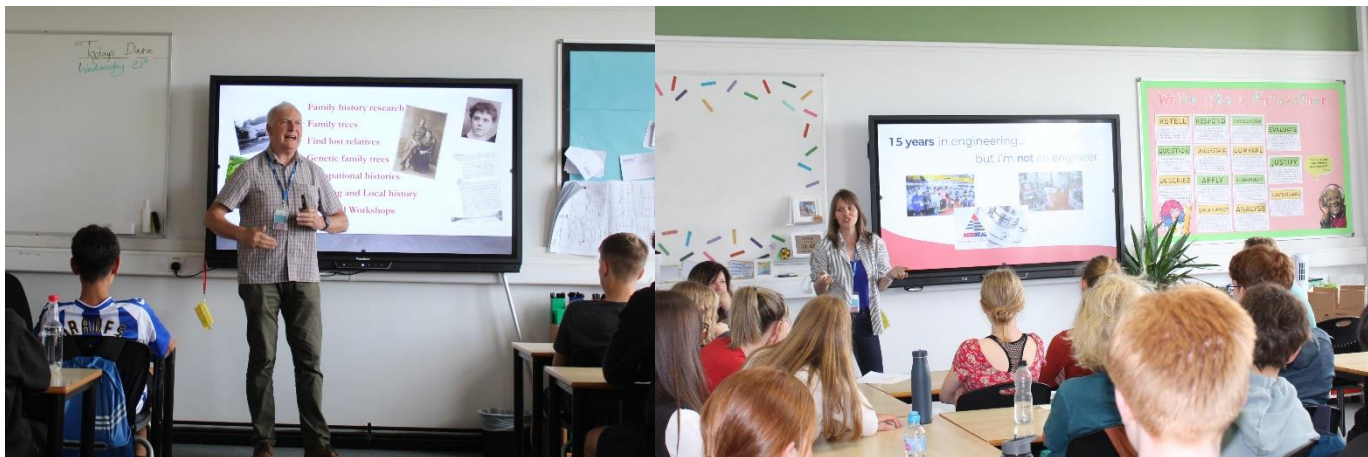

This final headteacher's blog is a selection of photographs from life at High Storrs over these final few weeks. It is a myth that school life gets quieter when the examinations finish; there is so much to pack in. This blog features just a selection (in photo form) of the things that have taken place at HSS in June and July. We are blessed to have a staff who are happy to work the extra hours to organise, lead and support so many 'extra' events and activities.

Not all the events from these past months feature in this photo blog. For example, we have had two Proms - Y11 and Y13 - and other trips and visits such as Y12 Art trip to London. We also have Sports Day and Celebration assemblies this week. However, we hope this gives you a 'flavour' of summer at HSS.

High Storrs 90 Anniversary – 28 June
