

23 May 2024

Dear Y10 Parents/Carers,

I am writing to you regarding the upcoming Y10 internal examinations, which will run from Monday 24<sup>th</sup> June to Friday 28<sup>th</sup> June.

After half term, assessments will take place in those 2- or 3-year subjects where students will complete GCSEs in June 2025 (at the end of Y11). These include Maths, Science, Geography, History and Languages. Only students taking English Literature at the end of Y11 will have an English examination. Confirmation of the timetable for Y10 examinations is attached below.

This summer, nearly all Y10 students are sitting at least one external GCSE examination in their one-year option subject, and those taking early entry GCSE English Literature are sitting two. Students should obviously prioritise revision for these external GCSE examinations. However, students should also find time to revise for their Y10 examinations, so that teachers are able offer feedback and plan intervention and support for early in Y11.

Yours faithfully,

Mr A. Walton-McBain  
Deputy Headteacher
