

Dear Parent / Carer

Y8 PROGRESS TRACKER 3: June 2024

We are pleased to inform you that a copy of your child's final Y8 progress tracker is available to download to your computer or mobile device via the Satchel:One app or website. If you need help setting up your Satchel:One account, please refer to the letter from Mrs Vaughan on the school website ([News & Events / Letters Home](#)) or contact her in school. If you are unable to access your child's tracker via Satchel:One, please contact the school.

Attitude to Learning is of critical importance for building the foundations for student success, and this remains the focus of reporting on your child's final progress grade Y8 (where B1 is the lowest and B4 the highest). It is your child's approach to learning and learning behaviours that will make the greatest difference to their success as they move through school towards GCSEs, A-Levels and beyond. While we do not make any reference to attainment grades or levels during KS3, on this final tracker we have included an indicator of whether your child is on track to meet or exceed national expectations in each subject, based on KS2 outcomes.

Detailed information about why we use Attitude to Learning along with copies of the Attitude to Learning Grids can be accessed via the school website (<https://highstorrs.co.uk/learning/reporting>), or by scanning the QR code. Also available on the website are two short videos, one explaining why we use Attitude to Learning at High Storrs, and the other explaining the layout of your child's tracker and how to get the most from the information it contains.

Where gaps appear in the data, this is due to significant staff or student absence. This information will be made available at the earliest opportunity. Where a teacher's name is missing from your child's tracker, this indicates a rotation subject that does not currently appear on your child's timetable.

Should you require further information or have any questions about your child's Progress Tracker, please contact the school (email: hssenquiries@highstorrs-mlt.co.uk). Please note that school reports are legal documents, and therefore use legal forename and surnames.
